

ONENERGY INC. REPORTS SECOND QUARTER 2016 RESULTS

Quarterly revenues increase by \$1.9 million to \$7.2 million

TORONTO, CANADA (August 23, 2016) – ONEnergy Inc. (“ONEnergy” or the “Company”) (TSXV: OEG), a fast-growing, dynamic energy management firm serving commercial, industrial, multi-residential and residential customers in Canada and the U.S. via its ONEnergy™ and Sunwave™-branded energy and energy-efficiency businesses today announced its financial results as at and for the three-month and six-month periods ended June 30, 2016. All amounts are in Canadian dollars unless otherwise noted.

For the three-month period ended June 30, 2016, revenues from continuing operations increased by 42 percent to \$7.2 million versus \$5.1 million during the corresponding period in 2015. Gross margin decreased to \$0.9 million, or 12 percent as a percentage of revenues as compared to \$1.0 million and 19 percent of revenues during the same period in the previous year. As a result of the aforementioned, adjusted earnings before interest, taxes, depreciation and amortization (“Adjusted EBITDA”) was a loss of \$0.8 million compared to a loss of \$0.8 million during Q2 2015. Income from continuing operations for the three-months ended June 30, 2016 was \$0.2 million compared to a loss from continuing operations of \$0.9 million for the same period in 2015.

For the six-month period ended June 30, 2016, revenues from continuing operations increased by 44 percent to \$15.3 million versus \$10.6 million for the six month period ended June 30, 2015. Gross margin increased to \$2.1 million, or 13 percent as a percentage of revenues as compared to \$1.4 million and 13 percent of revenues during the same period in the previous year. As a result of the aforementioned, adjusted earnings before interest, taxes, depreciation and amortization (“Adjusted EBITDA”) was a loss of \$2.3 million compared to a loss of \$2.0 million during same period in 2015. Income from continuing operations for the six-months ended June 30, 2016 was \$4.4 million compared to a loss from continuing operations of \$2.2 million for the same period in 2015. Included in income from continuing operations for 2016 is the Litigation Settlement (described below) of \$7.175 million.

In December 2015, ONEnergy designated its Home Comfort business as being held for sale and as a discontinued operation within the financial statements. During the three- and six-month periods ended June 30, 2016, Home Comfort posted net income of \$0.4 million and \$0.7 million respectively.

“ONEnergy’s Gas & Power business delivered another quarter of revenue growth, increasing by 45 percent over the second quarter of 2015,” said Stephen J.J. Letwin,

Chairman of ONEnergy. “Revenues from U.S. sources also increased solidly, with 88% of total revenues coming from U.S. sources, an increase of 9% compared with 81% in the same quarter in 2015. Our Energy Efficiency business development continues to be strong with significant prospects in the manufacturing and consumer products sectors.”

Cash and restricted cash as at June 30, 2016 totaled \$6.7 million.

On April 1, 2016, the Company received \$7.175 million in connection with the previously announced settlement (the “Settlement”) of the Company’s litigation with certain former officers, directors, consultants and legal advisors of ONEnergy, formerly Look Communications Inc.

The Settlement does not include Look’s former CEO Gerald McGoey and his personal service company Jolian Investments Limited (collectively the “McGoey Defendants”). As a condition of the Settlement, the claim against the McGoey Defendants will be limited to their proportionate and several liability for up to a maximum of \$5.6 million (being the amounts they received from Look) plus the McGoey Defendants’ proportionate and several share of amounts paid by Look as advances to law firms for the payment of legal fees and expenses. ONEnergy will continue to vigorously pursue this claim against the McGoey Defendants.
