

ONEnergy Inc. Provides an Update to its Proposed Acquisition of Ozz Electric

TORONTO, January 20, 2017 - ONEnergy Inc. ("ONEnergy" or the "Company") (TSXV: OEG) is pleased to provide an update on its proposed transaction with OZZ Electric Inc. ("OZZ"). As previously announced on December 21, 2016, the Company entered into a letter of intent ("LOI") with OZZ, which contemplates an acquisition of all of the common shares of OZZ in exchange for the issuance of common shares of a successor corporation ("Newco") to ONEnergy, (the "Transaction"). Completion of the Transaction would result in a reverse takeover and change of business of Newco under the policies of the TSX Venture Exchange (the "Exchange").

As required under the policies of the Exchange, the Transaction will be subject to the approval of the Company's shareholders and the Exchange. ONEnergy is preparing a management information circular for the annual and special meeting of shareholders ("Shareholders' Meeting") to consider the Transaction. The Shareholders' Meeting is expected to be held in June 2017.

The parties to the Transaction are currently completing due diligence and negotiating a definitive agreement (the "Definitive Agreement") which will set forth the detailed terms of the Transaction and will contain the terms and conditions set out in the LOI and such other terms and conditions as are customary for transactions of the nature and magnitude of the Transaction.

Trading in the common shares of ONEnergy continues to be halted and is expected to remain halted pending additional information relating to the Transaction being provided to the Exchange. The Company will provide a further update on the Transaction in due course.
