Financial results

For the three-month period ended June 30, 2022, net comprehensive income was \$551,000 compared to net comprehensive loss of (\$299,000), during same period in 2021.

For the six-month period ended June 30, 2022, net comprehensive income amounted to \$458,000 compared to net comprehensive loss of (\$683,000), during the same period in 2021.

Net comprehensive income for the three-month period ended June 30, 2022 includes a gain of \$959,000 on the derecognition of certain liabilities in the United States of the Company’s wholly-owned subsidiary, Sunwave Gas & Power Inc. (“Sunwave Canada”), as a result of Sunwave Canada filing a petition on April 22, 2022 under chapter 15 of title 11 of the United States Code to have its assignment into bankruptcy in Canada recognized in the United States (“Sunwave Chapter 15 Filing”). On August 16, 2022 the United States Bankruptcy Court issued an order recognizing the Sunwave Chapter 15 Filing. Sunwave Canada’s U.S. liabilities include a note payable (the “C Wave Note”) of U.S.\$747,000 due to C Wave Power & Gas Inc. (“CWave”). Net comprehensive income for the six-month period ended June 30, 2022 includes a gain of \$1,168,000 on the derecognition of the net liabilities of Sunwave Canada.

CWave Motion

On March 2, 2022, CWave filed a Motion for Summary Judgment in Lieu of Complaint (the “Motion”) with the Supreme Court of the State of New York (the “Court”) against ONEnergy and Sunwave Canada (collectively the “Defendants”). The Motion seeks a summary judgment against the Defendants for U.S.\$747,000 plus interest and reasonable costs until the judgment is paid. On May 10, 2022, the Defendants responded to the Motion with a Cross-Motion seeking dismissal of the Motion against ONEnergy, and an opposition of the Motion against Sunwave Canada. On May 27, 2022, CWave responded to the Defendants’ Cross-Motion and opposition. On August 16, 2022 the United States Bankruptcy Court held a recognition hearing and did not state any issues with a proposed recognition order. The proposed recognition order recognizes the Sunwave Chapter 15 Filing, effectively staying the Motion against Sunwave Canada indefinitely. A signed recognition order is expected to be issued shortly. ONEnergy considers the Motion against it to be without merit and will continue to vigorously defend its position in the Court.

Non-convertible debt financing

Between May 28, 2022 and August 26, 2022, Stephen J.J. Letwin, a director and Chairman of the Board of Directors, provided advances under a grid promissory note to the Company of \$510,000. This note is not convertible into securities of the Company, is unsecured, bears an annual interest rate at 10%, and is due on demand.
